Smile

Spike Milligan

Smiling is infectious,
You catch it like the flu.
When someone smiled at me today,
I started smiling too.

I walked around the corner
And someone saw me grin.
When he smiled, I realised
I had passed it on to him.

I thought about the smile
And then realised its worth;
A single smile like mine
Could travel round the earth.

So, if you feel a smile begin,
Don't leave it undetected.
Start an epidemic
And get the world infected!
