Missing You Always

Another day goes by without you,
Another day to reminisce
About all the times we shared together,
And everything I miss.

Memories in my mind,
Photos in a frame,
I still feel you all around me,
But nothing feels the same.

If I could see you one more time,
I know what I would do,
I'd freeze that moment in a heartbeat
So I could stay with you.

I know someday we'll be together
In a place not far away
And my heart will not be broken,
Like it is today.

Poem

Feel No Guilt In Laughter

Feel no guilt in laughter, he'd know how much you care.
Feel no sorrow in a smile that he is not here to share.
You cannot grieve forever; he would not want you to.
He'd hope that you could carry on the way you always do.
So, talk about the good times and the way you showed you cared,
The days you spent together, all the happiness you shared.
Let memories surround you, a word someone may say
Will suddenly recapture a time, an hour, a day,
That brings him back as clearly as though he were still here
And fills you with the feeling that he is always near.
For if you keep those moments, you will never be apart
And he will live forever, locked safely in your heart.
