From friends and family

'I am sorry to hear you gained your heavenly wings. I'm really, really glad I met you and gave you a hug. Not to know it would be the last one. Fly high Jodie, rest in peace my angel.'

*Auntie Sharon and Uncle John*

'I will forever cherish the memories we made together. The many sleepovers; the strawberry milk in wine glasses; lots and lots of laughter; our trip to the 1D concert when it snowed: Newquay day trip and many, many more. I am incredibly grateful to have had you in my life and my best friend throughout secondary school. You were such a strong woman.'

*Georgina Wilton*

'My beautiful niece fought so hard. It's going to be difficult not seeing this beautiful lady again. Happy, fun times we all had; we'll treasure them and remember them fondly. Too beautiful for this world. Go find Grampi Jodes.'

*Elaine Michael*

'Thank you for being the best friend I could ever have wished for. I will never forget all the precious time we spent together; catching my rabbit with the washing basket every day after school when it had escaped; playing in the tree house together as kids; you doing up my wedding dress and then helping me pee in it; and the time we all got into the freezing pool fully dressed just to see you smile. Memories I will treasure forever. I am going to miss you so much. You were so brave for so long and never stopped smiling through everything. Sleep tight beautiful lady. I love you Jodie, forever and always. Xx'

*Megan Beman*
