## WELCOME

### HYMN

Morning has broken  
like the first morning,  
blackbird has spoken  
like the first bird.

Praise for the singing!  
Praise for the morning!  
Praise for them, springing  
fresh from the Word!

Sweet the rain's new fall  
sunlit from heaven,  
like the first dew-fall  
on the first grass.

Praise for the sweetness  
of the wet garden,  
sprung in completeness,  
where his feet pass.

Mine is the sunlight!  
Mine is the morning;  
born of the one light,  
Eden saw play.

Praise with elation!  
Praise ev'ry morning!  
God's re-creation  
of the new day!

## POEM

*'Let Me Go' by Christina Rossetti*

When I come to the end of the road  
And the sun has set for me  
I want no rites in a gloom filled room  
Why cry for a soul set free?  
Miss me a little, but not for long  
And not with your head bowed low  
Remember the love that once we shared  
Miss me, but let me go.  
For this is a journey we all must take  
And each must go alone.  
It's all part of the master plan  
A step on the road to home.  
When you are lonely and sick at heart  
Go the friends we know.  
Laugh at all the things we used to do  
Miss me, but let me go.
