At Every Turning Of My Life

At every turning of my life
I came across
Good friends,
Friends who stood by me
Even when the time raced me by.
Farewell, farewell
My friends,
I smile and
Bid you goodbye.
No, shed no tears
For I need them not,
All I need is your smile.
If you feel sad
Do think of me,
For that's what I'll like.
When you live in the hearts
Of those you love,
Remember then,
You never die.

We Remember Him

When we are weary and in need of strength,
When we are lost and sick at heart,
We remember him.

When we have a joy we crave to share,
When we have decisions that are difficult to make,
When we have achievements that are based on his,
We remember him.

At the blowing of the wind and in the chill of winter,
At the opening of the buds and in the rebirth of spring,
We remember him.

At the blueness of the skies and in the warmth of summer,
At the rustling of the leaves and in the beauty of autumn,
We remember him.

At the rising of the sun and at its setting,
We remember him.

As long as we live, he too will live,
For he is now a part of us,
As we remember him.
