## *Poem*

In the glow of the stage lights, the musician stands tall,  
With a Gibson SG, he answered the call.  
Fingers dance on frets, a melody's delight,  
Each note is a whisper, each chord takes flight.

From band to band, his spirit would glide,  
With his Fender Strat, down at his side,  
Strumming the stories of laughter and pain,  
In every riff, his heart would remain.

A friend so true, with a voice loud and clear,  
Who spoke his mind freely and held nothing in fear.  
In the circle of music, he carved out his place;  
A soul full of passion and a warm, open face.

So, here's to Gordon, whose music will stay  
In the hearts of his friends, all those notes will remain.  
With every guitar string that hums and vibrates,  
His spirit will soar and more tunes he'll create.
