A serene sunset over the ocean with soft waves. The sky is a mix of light purple, pink, and blue, with a few wispy clouds. The water is a calm, light blue-green color with gentle waves rolling in from the left. The overall mood is peaceful and contemplative.

Welcome and Introduction

Poem

She Is Gone by David Harkins
chosen by Danielle

You can shed tears that she is gone
or you can smile because she has lived.

You can close your eyes and pray that she will come back
or you can open your eyes and see all that she has left.

Your heart can be empty because you can't see her
or you can be full of the love that you shared.

You can turn your back on tomorrow and live yesterday
or you can be happy for tomorrow because of yesterday.

You can remember her and only that she is gone
or you can cherish her memory and let it live on.

You can cry and close your mind, be empty and turn your back
or you can do what she would want: smile, open your eyes, love and go on.

An excerpt from *Roads Go Ever On* by J. R. R. Tolkien
chosen by Nicholas

The Road goes ever on and on
Out from the door where it began.
Now far ahead the Road has gone,
Let others follow, if they can!
Let them a journey new begin.
But I at last with weary feet
Will turn towards the lighted inn,
My evening-rest and sleep to meet.
