REFLECTION MUSIC

Remember Me
by Foster and Allen

POEM

A life well lived is a precious gift
Of hope and strength and grace,
From someone who has made our world

A brighter, better place
It's filled with moments, sweet and sad
With smiles and sometimes tears,
With friendships formed and good times shared
And laughter through the years.

A life well lived is a legacy
Of joy and pride and pleasure,
A living, lasting memory
Our grateful hearts will treasure.

COMMENDATION AND COMMITTAL

POEM

A reunion occurred in Heaven
Of the sweetest and most joyful kind,
As Dad's spirit moved beyond this earth,
Released from his mortal life.

And what a reunion it must have been!
A joy beyond our conceiving,
When Dad met Mum in heaven,
Ending years of dignified grieving.

We are certain Dad is still holding Mum's hand
While she cherishes every moment by his side.
They're experiencing the joy of being together again,
Catching up on the years they were denied.

We're confident they are looking over us,
Hoping this happiness will lessen our pain,
For we know this isn't the only reunion,
Someday we'll be called to be with them again...
