Song of Remembrance

Just The Way You Are

by our parivaar

courtesy of Bruno Mars

Oh, her eyes, her eyes

Make the stars look like they're not shinin'

Her hair, her hair

Falls perfectly without her tryin'

She's so beautiful and I tell her everyday

Yeah, I know, I know

When I compliment her, she won't believe me

And it's so, it's so

Sad to think that she don't see what I see

But every time she asks me, "Do I look okay?"

I say

When I see your face

There's not a thing that I would change

'Cause you're amazing

Just the way you are

And when you smile

The whole world stops and stares for a while

'Cause Umibaa, you're amazing

Just the way you are

Yeah

Her laugh, her laugh

She hates, but I think it's so amazing

She's so beautiful and I tell her everyday

Oh, you know, you know

You know I'd never ask you to change

If perfect's what you're searchin' for, then just stay the same

So don't even bother askin' if you look okay

You know I'll say

When I see your face
There's not a thing that I would change
'Cause you're amazing
Just the way you are
And when you smile
The whole world stops and stares for a while

'Cause Umibaa, you're amazing
Just the way you are
The way you are
The way you are
Umibaa, you're amazing
Just the way you are

When I see your face
There's not a thing that I would change
'Cause you're amazing
Just the way you are
And when you smile
The whole world stops and stares for a while

'Cause Bestie, you're amazing
Just the way you are
Yeah

Our Wonderful Mother

Our wonderful mother,
Our bestie is forever young;
Your smile is made of sunshine,
And your heart is so generous and full of love;
Your eyes are as bright as shining stars,
Your radiance lights up our world,
We have a wonderful mother,
And that's the way it will always be.
But take heed, because
You will always be our rainbow in the clouds shining
your light on all of us.

Bestie, you've done so much for us
We are heartbroken to know that you are a star in the sky
You have been so sweet for me and fantastic for all of us
I hope you have a comfortable time in the sky
When you become a star.
We'll never forget about you.
Thank you for doing so much for me,
And for protecting all of us.
I love you so much my first Bestie Umibaa.
You will always be in my heart
You're the bestest, beautiful, coolest baa in the whole wide world.

To Those Whom I Love & Those Who Love Me

by Mary Alice Ramish

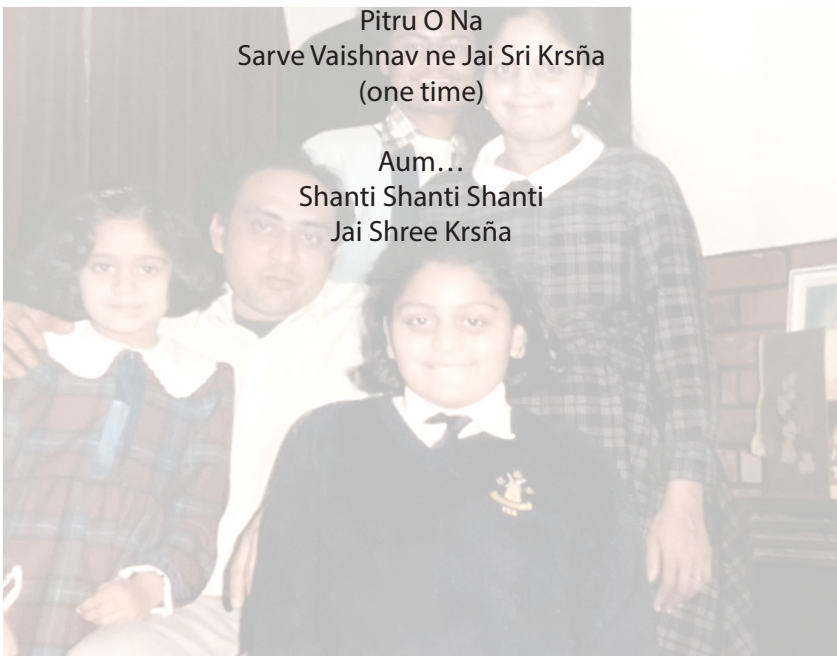

When I am gone, release me, let me go.
I have so many things to see and do,
You must not tie yourself to me with tears,
Be happy that I have had so many years.
I gave you my love, you can only guess
How much you gave me in happiness.
I thank you for the love each have shown,
But now it is time I travelled on alone.
So grieve a while for me, if grieve you must,
Then let your grief be comforted by trust.
It is only for a while that we must part,
So bless the memories in your heart.
I will not be far away, for life goes on.
So if you need me, call and I will come
Though you cannot see or touch me, I will be near.
And if you listen with your heart, you will hear,
All of my love around you soft and clear.
Then, when you must come this way alone,
I will greet you with a smile and a 'Welcome Home'
