Small said: “But what about when you’re dead and gone?  
Would you love me then? Does love go on?”  
Large held Small snug as they looked out at the night,  
at the moon in the dark and the stars shining bright.  
“Small, look at the stars – how they shine and glow.  
Yet some of those stars died a long time ago.  
Still they shine in the evening skies...  
love, like starlight, never dies.”
