

A young girl with short brown hair is smiling while riding a white horse. She is wearing a dark blue riding helmet with a silver emblem, a white long-sleeved shirt, a red neckerchief, and tan riding boots. She has two large, colorful ribbons pinned to her chest: a blue and white one and a red, white, and blue one. The background shows a bright, overcast sky and a green field.

Welcome and Opening Words

Poem

Her Role Down Here Is Done

Her little soul has touched us all,
She didn't need to stay;
Her spirit touched each one of us
Before it sailed away.

We all know souls arrive on earth
With special roles to fill,
And hers has fully played its part,
Her memory guides us still.

She had a very special soul
She stayed but just a while;
So if, or when, you're feeling sad,
Recall her with a smile.

For then you'll know inside your heart
The reason why she's gone,
And never feel too empty that
Her role down here is done.

Her spirit touched each one of us,
No other ever could.
Forever we will cherish her
The way we know we should.

Closing Words

Poem

I'm There Inside Your Heart

Right now I'm in a different place,
And though we seem apart,
I'm closer than I ever was,
I'm there inside your heart.

I'm with you when you greet each day,
And while the sun shines bright.
I'm there to share the sunsets too,
I'm with you every night.

I'm with you when the times are good,
To share a laugh or two,
And if a tear should start to fall,
I'll still be there for you.

And when that day arrives
That we no longer are apart,
I'll smile and hold you close to me,
Forever in my heart.
