WELCOME AND OPENING PRAYERS

HYMN

*All things bright and beautiful,
All creatures great and small,
All things wise and wonderful
The Lord God made them all.*

Each little flower that opens,
Each little bird that sings,
He made their glowing colours,
He made their tiny wings:
All things bright and beautiful...

The purple headed mountain,
The river running by,
The sunset and the morning
That brightens up the sky:
All things bright and beautiful...

The cold wind in the winter,
The pleasant summer sun,
The ripe fruits in the garden,
He made them every one:
All things bright and beautiful...

He gave us eyes to see them,
And lips that we might tell
How great is God Almighty,
Who has made all things well:

*All things bright and beautiful,
All creatures great and small,
All things wise and wonderful
The Lord God made them all.*

ADDRESS

PRAYERS

THE LORD'S PRAYER

Our Father, who art in heaven,
hallowed be Thy name;
Thy Kingdom come;
Thy will be done,
on earth as it is in heaven.

Give us this day our daily bread.

And forgive us our trespasses,
as we forgive those who trespass against us.

And lead us not into temptation,
but deliver us from evil.

For Thine is the Kingdom,
the power and the glory,
for ever and ever.

Amen.

HYMN

Amazing grace, how sweet the sound
That saved a wretch like me!
I once was lost, but now am found,
Was blind, but now I see.

'Twas grace that taught my heart to fear,
And grace my fears relieved;
How precious did that grace appear
The hour I first believed!

Through many dangers, toils and snares
I have already come:
'Tis grace has brought me safe thus far,
And grace will lead me home.

The Lord has promised good to me,
His word my hope secures;
He will my shield and portion be
As long as life endures.

Yes, when this flesh and heart shall fail,
And mortal life shall cease:
I shall possess, within the veil,
A life of joy and peace.

When we've been there ten thousand years,
Bright shining as the sun,
We've no less days to sing God's praise
Than when we'd first begun.

John Newton (1725-1807)

A misty autumn forest scene with trees and a path. The trees have vibrant orange and yellow leaves, and the ground is covered in fallen leaves. A path winds through the forest, and a large tree trunk is visible in the foreground on the right. The overall atmosphere is serene and peaceful.
