Poem

A Life Well Lived
read by Sally

A life well lived is a precious gift
of hope and strength and grace
from someone who has made our world
a brighter, better place.

It's filled with moments, sweet and sad,
with smiles and sometimes tears,
with friendships formed and good times shared
and laughter through the years.

A life well lived is a legacy
of joy and pride and pleasure;
a living, lasting memory
our grateful heart's will treasure.
