How Long Will I Love You by Ellie Goulding

Welcome and Introduction

Poem

I Am There

Look for me when the tide is high
And the gulls are wheeling overhead;
When the autumn wind sweeps the cloudy sky
And one by one the leaves are shed.

Look for me when the trees are bare
And the stars are bright in the frosty sky;
When the morning mist hangs on the air
And shorter darker days pass by.

I am there where the river flows
And salmon leap to a silver moon;
Where the insects hum and the tall grass grows
And sunlight warms the afternoon.

I am there in the busy street,
I take your hand in the city square,
In the market place where the people meet
In your quiet room - I am there.

I am the love you cannot see
And all I ask is that you look for me.
