### **Afterglow**

I'd like the memory of me to be a happy one.  
I'd like to leave an afterglow of smiles when life is done.  
I'd like to leave an echo, whispering softly down the ways.  
Of happy times and laughing times and bright and sunny days.  
I'd like the tears of those who grieve, to dry before the sun.  
Of happy memories that I leave when my life is done.

#### Feel No Guilt In Laughter

Feel no guilt in laughter, he'd know how much you care.  
Feel no sorrow in a smile that he is not here to share.  
You cannot grieve forever; he would not want you to.  
He'd hope that you could carry on the way you always do.  
So, talk about the good times and the way you showed you cared,  
The days you spent together, all the happiness you shared.  
Let memories surround you, a word someone may say  
Will suddenly recapture a time, an hour, a day,  
That brings him back as clearly as though he were still here,  
And fills you with the feeling that he is always near.  
For if you keep those moments, you will never be apart  
And he will live forever, locked safely within your heart.
