Poem  
The Unfinished

We cannot judge a novel by its length,  
Nor by the number of pages in it.  
We must judge it by the richness of its contents.  
Sometimes those unfinished are among the most poignant.

We cannot judge a song by its duration  
Nor by the number of its notes.  
We must judge it by the way it touches and lifts our souls.  
Sometimes those unfinished are among the most beautiful.

And when something has enriched your life  
And when its melody lingers on in your heart,  
Is it unfinished? Or is it endless?

Poem  
The Broken Chain

We little knew, that morning, that they were going to call your name.  
In life, we loved you dearly, in death, we do the same.  
It broke our hearts to lose you, you did not go alone,  
For part of us went with you, the day they called you home.  
You left us peaceful memories, your love is still our guide  
And, though we cannot see you, you are always at our side.  
Our family chain is broken and nothing seems the same,  
But as they call us one by one, the chain will link again.
