Welcome

Poem

Time Machine

♥ I came across a picture of you and I today.
The tears just started falling but I couldn't turn away.

I close my eyes and I was there that day so long ago.
I saw your eyes still shining bright alive and so aglow.

I'd swear I heard your laughter as I gazed upon your face,
That golden and contagious smile that nothing can replace.

It brought back such sweet memories of how life used to be.
Each picture is now a time machine that brings you back to me. ♥

by your loving husband.

Missing You Always

♥ You never said you were leaving,
You never said goodbye.
You were gone before I knew it
And only God knows why.
In life, I loved you dearly;
In death, I love you still.
In my heart I hold a place
That only you can fill.
It broke my heart to lose you,
But you didn't go alone.
A part of me went with you
The day God called you home. ♥

by your loving husband.
