Scripture Reading
Romans, Chapter 14: verses 7-12

The life and death of each of us has its influence on others;
if we live, we live for the Lord; and if we die, we die for the Lord,
so that alive or dead we belong to the Lord.

This explains why Christ both died and came to life:
it was so that he might be Lord both of the dead and of the living.

This is also why you should never pass judgement on a brother
or treat him with contempt, as some of you have done.

We shall all have to stand before the judgement seat of God;
as scripture says: By my life – it is the Lord who speaks – every knee shall
bend before me, and every tongue shall praise God.

It is to God, therefore, that each of us must give an account of himself.

The Word of the Lord.

Wind Beneath My Wings
sung live by Luchia

Oh, oh, oh, oh, oh.

It must have been cold there in my shadow,
To never have sunlight on your face,
You were content to let me shine, that's your way,
You always walked a step behind.

So I was the one with all the glory
While you were the one with all the strength.
A beautiful face without a name for so long,
A beautiful smile to hide the pain.

Did you ever know that you're my hero,
And everything I would like to be?
I can fly higher than an eagle
For you are the wind beneath my wings.

It might have appeared to go unnoticed
But I've got it all here in my heart,
I want you to know, I know the truth, of course I know it,
I would be nothing without you.

Did you ever know that you're my hero?
You're everything I wish I could be,
I could fly higher than an eagle
For you are the wind beneath my wings.

Did I ever tell you you're my hero?
You're everything, everything I wish I could be,
Oh, and I, I could fly higher than an eagle
For you are the wind beneath my wings,
'Cause you are the wind beneath my wings.

Oh, the wind beneath my wings,
You, you, you, you are the wind beneath my wings.
Fly, fly, fly away, you let me fly so high,
Oh, you, you, you, the wind beneath my wings,
Oh, you, you, you, the wind beneath my wings.

Fly, fly, fly high against the sky,
So high I almost touch the sky,
Thank you, thank you.
Thank God for you, the wind beneath my wings.
