including

The Lord's Prayer

Our Father, who art in heaven,
hallowed be Thy name;
Thy Kingdom come;
Thy will be done,
on earth as it is in heaven.

Give us this day our daily bread.

And forgive us our trespasses,
as we forgive those who trespass against us.

And lead us not into temptation,
but deliver us from evil.

For Thine is the Kingdom,
the power and the glory,
for ever and ever.

Amen.

Hymn

*All things bright and beautiful,
All creatures great and small,
All things wise and wonderful
The Lord God made them all.*

Each little flower that opens,
Each little bird that sings,
He made their glowing colours,
He made their tiny wings:
All things bright and beautiful...

The purple headed mountain,
The river running by,
The sunset and the morning
That brightens up the sky:
All things bright and beautiful...

The cold wind in the winter,
The pleasant summer sun,
The ripe fruits in the garden,
He made them every one:
All things bright and beautiful...

He gave us eyes to see them,
And lips that we might tell
How great is God Almighty,
Who has made all things well:

*All things bright and beautiful,
All creatures great and small,
All things wise and wonderful
The Lord God made them all.*

Cecil Frances Humphreys Alexander (1818-1895)

Psalm 23

Address

Hymn

The day Thou gavest, Lord, is ended,
The darkness falls at Thy behest;
To Thee our morning hymns ascended,
Thy praise shall sanctify our rest.

We thank Thee that Thy Church, unsleeping,
While earth rolls onward into light,
Through all the world her watch is keeping,
And rests not now by day or night.

As o'er each continent and island
The dawn leads on another day,
The voice of prayer is never silent,
Nor dies the strain of praise away.

The sun that bids us rest is waking
Our brethren 'neath the western sky,
And hour by hour fresh lips are making
Thy wondrous doings heard on high.

So be it, Lord: Thy throne shall never,
Like earth's proud empires, pass away;
Thy kingdom stands, and grows for ever,
Till all Thy creatures own Thy sway.

John Ellerton (1826-1893)
