Smile

by Spike Milligan

read by Rachel

Smiling is infectious, you catch it like the flu.  
When someone smiled at me today, I started smiling too.  
I passed around the corner and someone saw my grin.  
When he smiled, I realised I'd passed it on to him.  
I thought about that smile, then I realized its worth;  
A single smile, just like mine, could travel round the earth.  
So, if you feel a smile begin, don't leave it undetected.  
Let's start an epidemic, quick, and get the world infected.

## CLOSING WORDS

### THE LORD'S PRAYER

Our Father, who art in heaven,  
hallowed be Thy name;  
Thy Kingdom come;  
Thy will be done,  
on earth as it is in heaven.

Give us this day our daily bread.

And forgive us our trespasses,  
as we forgive those who trespass against us.

And lead us not into temptation,  
but deliver us from evil.

For Thine is the Kingdom,  
the power and the glory,  
for ever and ever.

Amen.

## FINAL FAREWELL

## POEM

### Feel No Guilt In Laughter

Feel no guilt in laughter, he'd know how much you care,  
Feel no sorrow in a smile that he's not there to share.  
You cannot grieve forever, and he would not want you to,  
He'd hope that you could carry on the way you always do.  
But talk about those good times and the way you showed you cared,  
Remember the days you spent together, and all the happiness you shared.  
Let his memory surround you, for one word someone will say  
Will suddenly recapture a time, an hour, a day,  
That will bring him back as clearly as though he were still here  
And it will fill you with a feeling that he is always near.  
So if you keep your moments you can never be apart  
As Mick will stay forever, locked safely in your heart.
